For the Technical Direction of the LTPP Program

Program Area: General Operations

Directive Number: GO-55

Date: July 13, 2012

Supersedes: GO-51

Subject: AIMS Upload Date for 2012 Public Data Extraction

September 11, 2012 is the scheduled date that uploads of all Ancillary Information Management System (AIMS) data files into the AIMS Data Entry Portal (ADEP) included in the August 2012 Public Data Extraction (PDE) should be completed. This applies to files uploaded by LTPP Regional Support Contractors and the LTPP Customer Support Service Center.

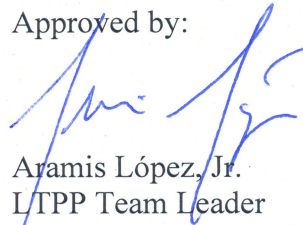

The version of the ADEP files existing at midnight eastern standard time on this date will be used as the official reference version of the AIMS which match the contents on the August 2012 PDE.

The ADEP will not be frozen and will continue full operations on September 12, 2012.

Please contact your designated FHWA Contracting Officer's Representative if you are not able to complete processing and upload of the required AIMS files by this date.
